TIM BATEMAN JOINS CHARTACLOUD HEALTH CARE SERVICES ADVISORY BOARD

Portsmouth, NH, April 27, 2015 – ChartaCares (“ChartaCares”), the healthcare technology division of ChartaCloud Technologies LLC, today announced the addition of Timothy Bateman to its Healthcare Services Advisory Board. The Healthcare Services Advisory Board advises ChartaCloud executives on product and market development in the healthcare sector. ChartaCloud provides a comprehensive suite of HIPAA IT compliant foundational IT services under the trade name ChartaCares.com.

Mr. Bateman is an entrepreneur and founder of the Home Care CEO Council, as well as co-founder of Home Care 100. He is also an owner and former top executive of Lincoln Healthcare Group, an information company serving C-level healthcare executives.

“We are absolutely delighted to be able to tap into Tim’s knowledge of the healthcare space as we continue to help home care providers bridge their processes from a paper-based to a digital world,” said Lauryn Schimmel, managing director of ChartaCloud,

Mr. Bateman said, “ChartaCloud via its ChartaCares offering is allowing home care providers to bring their agencies to the leading edge of the electronic era without having to sacrifice any of the workflow developed through their paper-based processes and systems. In particular, ChartaCloud’s HIPAA-compliant, smart paper solution is exactly the kind of productivity tool that care providers need to remain competitive in the post-reform landscape.”

About ChartaCloud

ChartaCloud is a leader in end-to-end, full service solutions for mobile electronic forms processing and automation designed to capture data on paper or digitally with equal ease and accuracy. ChartaCloud Technologies’ IT solutions for the health care industry allow companies to bridge the gap between the paper and digital worlds. The company, based in Portsmouth, NH, was founded by leadership with more than 25 years of experience in forms automation and IT.
